

VINCENT B. AREVALO

Administrative Professional | Payroll, Billing, Operations & Systems Support

Caloocan City, Philippines • 0992-458-6793 • vincentarevalo55@gmail.com • linkedin.com/in/vincentarevalo

PROFESSIONAL SUMMARY

Administrative professional with 2+ years of experience across payroll processing, client billing, inventory management, and office operations, currently overseeing full-cycle payroll and order-to-collection operations for a 25-person team. Track record includes 100% on-time, error-free payroll releases and a 99% reduction in stock discrepancies across 500+ tracked items. Combines administrative and financial record-keeping discipline with hands-on technical skills — including WordPress website development, digital record-keeping systems, and basic hardware/systems support — that set this profile apart from typical administrative candidates.

CORE SKILLS

Administrative & Operations: Administrative Operations, Records Management, Inventory Management, Scheduling & Coordination, Report Preparation, Data Entry, Office Administration, Confidential Records Handling

Payroll & Billing: Full-Cycle Payroll Processing, Timekeeping & Overtime Computation, Statutory Deductions & Contributions, Client Invoicing, Accounts Receivable & Collections, Billing Adjustments & Discrepancy Resolution, Reconciliation

Technology & Systems: Microsoft Excel, Microsoft Office Suite, Google Workspace, WordPress, Web Publishing, Figma, Adobe Photoshop, Point VF, Digital Record-Keeping Systems, Hardware & Systems Support

WORK EXPERIENCE

Administrative Head

April 2026 – Present

Orzon Pharma & Medical Service Trading | Caloocan City, Philippines

- Directed the full order-to-collection cycle for a 25-person operation — receiving client purchase orders, confirming inventory availability, and coordinating production procurement to fulfill up to 12,000 orders per month.
- Solely processed full-cycle payroll for a staff of 25, managing timekeeping, overtime calculations, statutory deductions, and contributions, achieving 100% on-time, error-free salary releases.
- Scheduled and coordinated delivery logistics, including personnel assignments and routing, maintaining a 97% on-time delivery rate.
- Maintained real-time inventory and stock records using Point VF, supporting accurate order fulfillment and reducing stock discrepancies by 99%.
- Monitored supply activity, sales trends, delivery costs, and operational expenses to inform purchasing and cost-control decisions, while safeguarding confidential compensation records in full policy compliance.

Administrative & Laboratory Assistant

Aug 2024 – Jan 2026

University of Caloocan City, College of Engineering | Caloocan City, Philippines

- Promoted from Intern (Aug 2024) to full Administrative & Laboratory Assistant (Dec 2024) within four months in recognition of reliability and performance.
- Designed, built, and launched the College of Engineering's official website (ucccoengg.net) on WordPress, with visual assets created in Figma and Adobe Photoshop, delivering a central resource hosting laboratory schedules, announcements, and academic materials for 50+ faculty and 500+ students.
- Prepared monthly usage and inventory reports covering 500+ laboratory equipment items and conducted monthly physical audits, sustaining full accountability and 100% on-time submission to the department.
- Maintained zero-discrepancy inventory and equipment-loan tracking for laboratory materials serving approximately 500 students and faculty each term, ensuring accurate, on-time availability for scheduled activities.
- Reformatted and configured laboratory PCs and interactive TVs each school year and supported faculty with installation and dismantling of laboratory equipment, keeping facilities classroom-ready.
- Delivered direct administrative support to 50+ engineering professors and the department supervisor, drafting, printing, and organizing correspondence and resolving inquiries across offices.

Freelance Technical & Systems Support

May 2023 – Present, Part-time / Concurrent

Self-Employed | Academic & Business Projects

- Built spreadsheet-based and full-stack digital systems — including inventory tracking, transaction logs, and business ordering/records-management tools — for 10+ academic and small-business clients.
- Consulted directly with clients to define requirements and timelines, consistently delivering accurate documentation and functional systems ahead of deadline.

EDUCATION

Bachelor of Science in Office Administration

University of Caloocan City, 2026 • Service Award, University of Caloocan City (2026)

CERTIFICATIONS

- Contact Center Services NC II — TESDA National Certification (September 2022)
